EDI

Electronic Drive Index Ltd.

Founded in 2000, focusing on the production of cable assemblies and wiring harnesses such as IPC, network equipment, gambling machines, cash registers, marine electronic equipment, household appliances, military wires, waterproof wires, automotive cables, motorcycle cables, etc.

We can provide customers with complete solutions, in addition, we can also provide OEM and ODM services.

In 2020, we started supplying electric vehicle and motorcycle cables, high voltage wires and cables, and a variety of cable assemblies to the green energy industry.

Our mission is to provide customers with high quality products, on-time delivery, competitive prices and the best consulting and after-sales services.

In order to improve our own level and better serve our customers, we have passed ISO9001-2015 certification and obtained UL certification.

Our corporate spirit is: professionalism, integrity, innovation, and sustainable development
